Description

The all-round performance of the 2026 FX Cruiser SVHO (Super Vortex High Output) will take your riding to the next level with its balance of luxury, technology and power. This craft is loaded with the latest innovations, theatre-style seating for three, and a power plant to excite the most extreme thrill seekers.

The supercharged 1.8 litre engine works beautifully with the sleek body shape and lightweight hull to deliver awesome performance combined with highly stable and agile handling. All complemented by Yamaha's revolutionary and intuitive-to-use Reverse with Intuitive Deceleration Electronics (RiDE®) control system.

The FX Cruiser SVHO comes with factory installed Yamaha audio speakers, a 7-inch full-featured infotainment system with glass colour touchscreen and built-in GPS system*. This luxury craft also comes with smartphone integration, customisable Drive Controls with Auto Trim, a large glove box with a built-in light, USB and 12 volt charging ports, streamlined tilting handlebar with tie hooks, three-person luxury theatre style seat and a hull that delivers an extremely comfortable and dry ride.

All FX Series WaveRunners come with pre drilled holes for easy installation of Yamaha's exclusive RecDeck platform, allowing you to connect JetFish and lounge accessory packages for more on-water action and versatility.

*USB Map card not included and can be purchased separately. Consult your local WaveRunner dealer.
