Description

If supercharged power, exceptional handling and a ton of extra features revs your heart, then Yamaha’s high-performance 2026 FX SVHO (Super Vortex High Output) WaveRunner is your craft of choice.

This powerful yet agile watercraft offers outstanding all-round versatility, whether racing, touring, three-up riding or towing. The key to its success is the partnering of Yamaha’s highly powerful, 1812cc, supercharged purpose-built marine engine with an extremely comfortable and responsive hull and deck. This combination of industry leading technologies delivers unbelievable power and an exceptional handling performance.

The innovations don't stop there. The FX SVHO includes factory installed Yamaha audio speakers, 7-inch full-featured infotainment system with glass colour touchscreen and built-in GPS system*. This luxury race craft also comes with smartphone integration, customisable Drive Controls with Auto Trim, a large glove box with a built-in light, USB and 12 volt charging ports, streamlined tilting handlebar with tie hooks, a bolstered three-person sports seat and a hull that delivers an extremely comfortable and dry ride.

All FX Series WaveRunners come with pre drilled holes for easy installation of Yamaha's exclusive RecDeck platform, allowing you to connect JetFish and lounge accessory packages, for more on-water action and versatility.

*USB Map card not included and can be purchased separately. Consult your local WaveRunner dealer.
