Description

Release your inner thrill seeker with the JetBlaster Pro 2-Seater! Combining the freedom of a stand-up with the versatility of a sit-down, the JetBlaster Pro delivers a unique, adrenaline fueled experience, like no other WaveRunner.

With it's shorter, more compact and light-weight high-performance hull and polypropylene top deck, combined with Yamaha's High Output (HO) TR-1 engine, the JetBlaster Pro punches well above its weight.

To fully harness its freestyling abilities, the JetBlaster Pro comes with a custom-tuned electronic trim, built-in footwell chocks and motocross inspired handle bars, giving you the ability to pop out of the water, do spins and other exciting manoeuvres; not possible on any other sit-down WaveRunner.

This craft also comes with Yamaha's exclusive RiDE dual throttle controls, a 4.3 inch feature-rich Connex Screen with Drive Control, tow hook, a reboarding step and your choice between Imperial Red and Azure Blue colour schemes.

Technical Specification
Length 3000
Width 1140
Height 1180
Weight 244
Rider capacity 2
