Description

2010 Matrix Sorento 20ft Ski Boat – Low Hours – Excellent Condition

This 2010 Matrix Sorento 20ft is a fantastic family ski boat, sitting on a 2010 Easy Tow trailer and powered by a reliable 5.7L MerCruiser MPI engine.

With only 188 hours on the engine and a recent service completed just 5 hours ago, this boat has had very little use and is ready to hit the water immediately.

Both the boat and trailer present extremely well for their age and have been well looked after.

Perfect for family days on the water, skiing or wakeboarding, the boat is equipped with a wake tower and matching bimini, plus a full travel cover to keep it protected when not in use.

There is plenty of storage under the seats for skis, life jackets, and all your water sports gear.
