Description

The VF175 VMAX Super High Output four-stroke outboard is lighter, faster and smarter then any other outboard in its class. This exceptional piece of machinery has been purpose built to meet the needs of the high performance and competition market, and is ideally suited to smaller bass boats, flats boats, skit boats, bay boats and other performance hulls.

This powerful 2.8 litre, 16-valve double-overhead cam engine utilises variable camshaft timing and electronic fuel injection, to deliver an exhilarating hole shot and top-end speed, while producing a incredibly efficient, clean and quiet performance. The VF175 VMAX comes with the option of a long and extra long shaft length and includes variable trollingto achieve that perfect lure presentation. For competition winning performance, don't go past the VF175 VMAX.Technical Specification
HeightL: 516 [20.3] | X: 643 [25.3]
